

Capstone Design: Proposal Evaluation Sheet

Date: 2021.09.23

Your Team: Fancy (F)

Team to be Evaluated: D

Team Leader: Minji Cha

The table in the next page contains evaluation criteria for a proposal. BG, PS, and PP represent background and related work, problem statement and proposed solution, and project planning, respectively. Please write the scores with a short description (i.e., why do you think so?) per each criterion.

Criteria	Items	Score
BG (30%)	Does the team thoroughly study prior work/approach/idea? 기존 아이디어/접근방식/연구를 빠짐없이 정리했는가?	33 / 50
	Does the team properly understand or classify related work? 기존 아이디어/접근방식/연구에 대해 적절히 이해하고 분류했는가?	30 / 50
	[Description] The team provided a well-written explanation of the skills required to create animation. However, the limitations or the disadvantages of prior idea were missing.	63 / 100
PS (40%)	Is the proposal worth addressing? 제안한 내용은 충분히 의미 있는 프로젝트인가?	17 / 30
	Does the team clarify the problem? 해당 팀은 문제를 명료하게 정의하고 있는가?	28 / 40
	Is the proposed solution logical and practical? 제안하는 솔루션은 논리적이고 실용적인가?	20 / 30
	[Description] The team appealed for the importance of animation and NFT market, but it is difficult to find a special connection between NFT and this project. Therefore, it is not sure what problems this project can solve and how it could be used for later.	65 / 100
PP (30%)	Is it appropriate for a semester-long project as a team? The proposal must be neither too trivial nor too hard. 한 학기 동안 팀이 수행하기에 적절한 난이도인가?	33 / 40
	Are individual roles and collaboration clearly defined? 개별 역할 분담과 협업이 명료하게 정의되어 있는가?	23 / 30
	Is the final product meaningful? 최종 결과물이 의미 있는가?	18 / 30
	[Description] The planning for the team project with the workflow chart was clear but it seems that the roles are not equally divided. The scale of the project seems reasonable.	74 / 100
Total (종합)	BG * 0.3 + PS * 0.4 + PP * 0.3 =	67 / 100

Review (총평)	<p>The team explained the growth of animation market well with the data. And the subject of the project seems very interesting.</p> <p>However, it is not sure exactly what problem this project can solve. Also, it is difficult to find a special connection between NFT and this project.</p>
